ABOUT THIS JOURNAL EDITORIAL BOARD SOCIETIES

- Published by the Indian Academy of Sciences
- Provides original research, review articles and rapid communications in all areas of materials science
- Presents conference and symposia proceedings of interest to materials scientists
- Offers high quality articles, published rapidly after acceptance
- Published by the Indian Academy of Sciences in collaboration with the Materials Research Society of India and the Indian National Science Academy

The Bulletin of Materials Science is a bi-monthly journal publishing original research articles, review articles and rapid communications in all areas of materials science. From time to time, the

journal also offers important Conference and Symposia Proceedings which are of interest to materials scientists. The Bulletin accords high importance to the quality of articles published and keeps to a minimum the processing time of papers submitted for publication.
